

Newspaper Reporter

Create a headline about a key event, person or idea in the passage. Choose a quote or passage from the reading that you think is important and explain why you chose it.

Publicist - Instagram

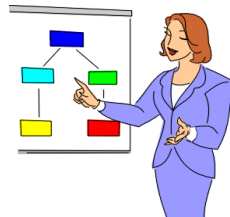

Your job is to capture this passage by drawing an image.

Instagram

Graphic Designer

Your job is to create a spoke diagram, graph or flow chart of the key points in this passage. Be sure you have included depictions of the main idea and any key vocabulary.

Broadcaster

Your job is to summarize the passage and share it with the group.

Specialist

Your job is to find two words that students might have found difficult. Write the words on an index card and then look up the words in the dictionary. Write a definition on the back of the index card and explain the words to your group.

Psychic

Your job is to think like a teacher. After reading the passage, pull out the key points in the passage. Then write a question on an index card that addresses one of the key points.

Ask your question to the group and make sure everyone can answer it.

Statistician

Your job is to create a graph that displays the data described.

Predictor

Your job is to predict what the tweet will be from reading this letter.
