3-4 mins

What is our school's greatest asset?

3-4 mins

Why have charter schools expanded?

___ They foster a sense of community and collaboration between the teachers, parents and students.

___ They offer extended hours (afterschool programs)

___ They offer extracurricular options (enrichment, intervention, STEAM related activities, etc...)

___ More intimate level of personalization

Specific pedagogy, course selection, and format (blended, project-based, online only, traditional)

A focus on College and Career Readiness-21st Century Learning Standards

Social/emotional development

___ Online reviews such as Yelp, Google, and Greatschools are influential

___ Quality of Teachers

4-5 mins

What do we need to do to remain competitive?

- ★ Table talk (3-4 people)- have a discussion with your tablemates and prepare to share a few ideas
- ★ Chart your responses
- ★ Share out

4-5 mins

How do we personalize the high school experience?

★ Think of an adult (teacher/staff) that you had a connection with and share how that relationship was beneficial to your success.

3-4 mins

What does our data reveal?

QUAGLIA STUDENT SURVEY 2015-16	1600 Participants
